

Marck Frience Coto

Experienced front-end software engineer focused on building accessible digital experiences

PROFILE

I am a front-end web developer with 2 years of rich **experience** in the industry. I am proficient in a variety of technologies, including **React**, Redux, Node, PHP, MySQL, **TypeScript**, **Laravel**, Vue & MongoDB. I am also a strong **problem solver**, a **team player** and an **open-source** enthusiast.

RELEVANT EXPERIENCE

Front-End Web Developer, Juan Graphico

April 2024 — February 2025

- Maintaining the website's UI, refining its design, functionalities and optimizing user-friendly experience.
- Created wireframes, prototypes, and high-fidelity mockups for a variety of web and mobile projects.
- Developed user-friendly payment methods with seamless integration, customizable options, real-time notifications, accessibility, feedback and responsive design.

3D Annotator at Glimmertech & Frontend Freelancer on Upwork

April 2022 — March 2024

- Identifying and labeling objects within a 3D environment.
- Provided high-quality frontend development services on Upwork, collaborating with clients globally to deliver responsive, user-centric web solutions.

Manager & Graphic Artist, Hube Computer

July 2019 — February 2022

- I combine my leadership skills with a passion for design, creating visually engaging content while managing workflows to meet deadlines. This role allows me to enhance both the efficiency and aesthetic quality of our projects.

Computer Technician, RAM Computer

June 2012 — May 2016

- Maintain, install and repair both software and hardware computer peripherals.
